# Teacher Talk™ The Hanen® program

**Teacher Talk™ is a training series based on Learning Language and Loving it, The Hanen program® for early childhood educators and Teachers. The program is suitable for early intervention workers, Pre school teachers or any individual working with children in group settings facilitating language & social development.**

Participants will learn:

- How to use play and daily routines to create enriched, interactive language-learning environments that include all children.
- Links between oral language and literacy and how to support literacy skills in early childhood settings.
- How to provide a physical and social environment that both encourages peers interaction for isolated children and creates many opportunities for successful interactions with other children.
